NMSAS Recovery Supports:

In an effort to bring people together during this unusual time, here is an opportunity to hear the hope and inspiration of recovery and recovery resources. Weekdays from 12-1pm, we'll have a person talk about their recovery, pick a recovery topic or have a presenter talk about what they do as it relates to recovery. We'll also provide support and connections for those looking to sustain their recovery. For information to join, call us at: 989-370-7608, or e-mail: Bsmith@nmsas.net or twelfth@nmsas.net. Visit our Facebook page for updates and notices on **NMSAS Peer Recovery Support Services**.
